

Emergency Evacuation Kit

PLEASE KEEP THIS LIST IN A SAFE PLACE FOR QUICK REFERENCE!

Even if you do not plan to leave for a hurricane, you should make sure to keep the items listed below in a safe location. Ideally, you will want to keep these items in an easily portable container, like a wallet, zip lock bag, or file folder—choose something that you can take with you at a moment's notice. If for any reason you are forced to make an unexpected evacuation, keeping these documents close to you will ensure that you are easily able to access your ASI account information and obtain cash.

Be sure to pack:

Your driver's license or state ID

Your social security card

Your ASI membership card or Member Number

Your secret password to use for phone and online account access

Your ATM or Debit Card and credit cards and your ATM secret access code

This phone number for free 24-hour account access:
(504)733-7336 or (toll-free) 1(800)725-2624
